

REPUBLIC AIRWAYS SELECTS RAMCO'S AVIATION MAINTENANCE SUITE

Lawrenceville, New Jersey – April 7, 2008 – Ramco, the Global Aviation Maintenance & Engineering (M&E) and Maintenance, Repair & Overhaul (MRO) software provider, announced today that Indianapolis based Republic Airways Holdings (NASDAQ: RJET) has selected its entire suite of Aviation Maintenance, MRO, Analytics, e-Publications and Enterprise Financial Applications. Republic is an airline holding company comprised of Chautauqua Airlines, Republic Airlines and Shuttle America. All of the airlines' flights operate under their airline partner brands, such as; American Connection, Continental Express, Delta Connection, Frontier Airlines, United Express and US Airways Express.

“Ramco’s Aviation Suite will provide Republic with critical information and real-time analysis for proactive decision-making. These products will support our ongoing business process improvement initiatives allowing us to optimize our resources and continue to cost effectively provide the most reliable service in the industry. We selected Ramco after an extensive evaluation of the industry’s software vendors and are very excited to welcome the Ramco team into our business as key partners,” said Hal Cooper, executive vice president & CFO, Republic Airways.

“We are very happy to work with Republic Airways. Republic has long been considered one of the top regional airlines in the world. They are highly respected for the quality of their customer service and operations. Ramco’s Aviation Solution will improve their entire M&E, analytics, publications, enterprise financial and unique business process needs,” said Jim Fitzgerald, president, Ramco’s Global Aviation Solutions.
